

BUSINESS PLAN 2024

CreatorNE

The Creator Economy Hub for Northeast India

Connecting Creators · Brands · Agencies · Events

9/10

Market Need

10/10

Community Potential

9/10

Scalability

Northeast India is Underserved

Thousands of creators. Strong audiences. Zero infrastructure.

FOR CREATORS

- Hard to find collaborations
- No professional networking platform
- Lack of brand exposure
- No structured creator community

FOR BRANDS

- Difficult creator discovery
- No centralized creator database
- No campaign management tools
- Over-reliance on expensive agencies

Why Northeast India, Why Now?

8

States

Across Northeast India

500+

Creators

Target Year 1 onboarding

₹0

Competition

No focused NE platform exists

10K+

Creators

Total addressable by Year 3

Where CreatorNE Fits

Platform	Gap
Instagram	Not searchable professionally
LinkedIn	Not creator-focused
National Platforms	Ignore Northeast India
WhatsApp Groups	Unorganized, no discovery

OUR SOLUTION

One Platform, Full Ecosystem

Not just a marketplace — a professional identity & networking layer for NE creators

Creator Directory

Searchable profiles by city, category, followers

Relationship Network

Connect, collaborate, grow professionally

Campaign Marketplace

Brands create, creators apply, get paid

Creator Academy

Workshops on branding, editing, growth

Annual Awards

Recognizing NE's best creators publicly

Job Board

UGC, content creation, brand gigs

5-Phase Execution Plan

 MVP Focus: Build Creator Profiles + Directory + Collaboration Requests + Messaging + Events — NO AI, NO complex payments initially

1

Phase 1

Creator Directory

Public profiles, search by
state/niche

2

Phase 2

Creator Network

Scalability

Strategic Recommendation

Start as a creator community and directory. Reach 1,000 verified creators across Northeast India before investing in campaign management. The community itself becomes your strongest moat and acquisition channel.
